Who will be our Mayor, Deputy ?

- Regional Commissioner to announce Mayoral Poll schedule after formation of New Council
- Mayor post reserved for Woman (General category); Deputy Mayor for Backward Class (A)

Mysuru, Sept.4 (RK&DM)- Even as the results of the Mysuru City Corporation (MCC) polls held on Aug.31 was declared yesterday, the State Government last evening announced the reservation matrix for Mayoral posts. Accordingly, the Mayor post has been reserved for Woman (General category) and the Deputy Mayor for Backward Class (A) candidate.

Although the Election Commission announced the result on Monday, the newly-elected members will formally become Corporators only after they take oath and a new Council is formed.

After the formation of the new Council, the Regional Commissioner, who is also the Returning Officer, will announce the poll schedule for Mayoral polls, which is likely to happen in about a fortnight, according to MCC Commissioner K.H. Jagadeesha.

EVMs shifted to CITB Choultry: Meanwhile, the Electronic Voting Machines (EVMs) used in the MCC polls have been moved to CITB Choultry in Hebbal after the counting of votes concluded at Maharani's College of Commerce and Management on Valmiki Road, Vinayakanagar, yesterday.

The EVMs will be stored at Hebbal's CITB Choultry for about six months as they are needed to be kept for verification in case of any electoral disputes.

The Hebbal, Vijayanagar and Metagalli Police have been guarding the CITB Choultry round-the-clock to ensure the safety of the EVMs.

Hung verdict forces parties to go for alliance: The MCC poll results threw up a hung verdict, with no party getting an absolute majority in the 65-member Civic Body. While the BJP emerged as the leading party with 22 seats, the Congress came second with 19 seats and the JD(S), a close third with 18 seats.

Even as the alliance partners in the State Government — JD(S) and Congress — are in talks straightaway for gaining control of the MCC, the BJP is awaiting the moves of the JD(S), with whom the party had shared power in the MCC last time.

With the Mayor post reserved for Woman (General), the Congress has seven General category woman Corporators while the JD(S) has eleven.

As far as the Deputy Mayor post is concerned, which is reserved for BC(A) category, the Congress has six candidates including a woman and the JD(S) has five including two women.

However, the Mayoral polls will be held only after the Regional Commissioner issues a notification in this regard. The term of the Mayor and Deputy will be for a period of one year.

Wrong notes play out at Music Varsity

Students stage protest, demand Higher Education Minister's intervention

Mysuru, Sept.4 (PM&NNN)- Nearly hundred students of Karnataka State Dr. Gangubai Hangal Music and Performing Arts University struck a discordant note in spite of playing musical instruments and singing to tunes, demanding basic facilities at the University premises on JLB Road here this morning.

The strike began yesterday and from today, the students were threatening to launch an indefinite strike. Shouting slogans against the University authorities, they charged that in spite of the University being eight-years-old, the conditions continue to remain pathetic.

They demanded the presence of Higher Education Minister G.T. Devegowda to solve their problems.

The strength of the students is increasing every year with many from different districts in the State joining but the facilities have not matched it with the number of classrooms remaining very less. There are no separate rest rooms and toilets for girl students and lady teachers and hence, they have no choice but to suffer silently, they charged.

Birds, beasts and *Us*

The goings on nature would surely continue to go on until eternity exactly as they have happened from the times as far back as one stretches one's imagination, that time span being as near as 4,500 crore years, which is the chemically estimated age of Earth Planet, a mere spec in the Universe comprising countless stars and galaxies, only one of which we are aware of. Seasons happen exactly as they have been happening year on year. Birds travel long distances to the same destinations both in search of food and also for laying eggs to preserve their progeny. Beasts, the denizens of forests live in the habitats most suited to their needs, not pursuing the factor of greed, an exclusive human failing. Same is true of marine fauna in their abundant variety mostly to be found in specific parts of the vast oceans and seas. In total contrast, the human species and nature are getting disconnected to an annoying extent.

The other enduring feature of nature is the symbiosis between plant species and the soil on which they sustain. But for uncalled for intervention by human beings, every plant propagate itself in a way most suited to its respective climatic and soil conditions. Genetic modification of various plants is one such intervention which doesn't amount to wise judgement of dealing with nature.

Evolution, the change in the heritable characteristics of biological populations over successive generations is admittedly a slow and prolonged process. In total contrast, change in the *profile* of society, which was at a slow pace in times gone by, before advancing technology began to impact that profile, is galloping at a fast pace. The old expression 'East is East, West is West, the Twain shall never Meet' no longer holds water. The twain are not only meeting but also impacting mutually. Even different regions of India, particularly the urban spaces, have begun to close the gaps in their differences on many counts. The cities are nowadays *glorified* as cosmopolitan, the feature not exactly to the liking of old timers of respective cities, such as Mysuru. The factor of migration is the order of the day, with consequences that one cannot miss in Bengaluru.

At a special lecture delivered in Mysuru last week, Anna Iwasaki from Japan rightly observed that owing to the rapid migration of people in search of greener pastures, local culture and traditions witness a decline. Residents of Mysuru are getting a taste of the truth in his message. This doesn't happen in the world of *beautiful people*, some call them animals. Birds, beasts, marine fauna and plants don't migrate unlike us.

HOW DO CELEBRITY-ENDORSED PUBLIC CAUSES HELP?: ***When a celebrity becomes the official endorser of Binani Cement, Nestle's Maggi, Kalyan Jewellers and Navratna Tel (hair oil), it is inevitable that everybody wants a piece of him. As a public figure who has enthusiastically embraced sundry brands, superstar Amitabh Bachchan must be aware of the price associated with using his name. Three years ago, the actor was approached by Doordarshan's Kisan TV, which seemed to briefly forget that it was a public service broadcaster. Officials wanted Bachchan to endorse the channel, for which a contractual agreement was drawn up. When eyebrows were raised over the decision to squander public money on a non-kisan, Bachchan stepped in to clarify that he was endorsing the channel for free, to improve farmers' welfare. When Bollywood stars sweep streets to show their commitment to Swachh Bharat, they must remind themselves that this is a chore and not a photo-op for millions. They must also remind themselves that safai karamcharis do this all year for a pittance, sans the cameras.***

World's most dangerous ice-cream !

Glascow: Respiro del Diavolo (Devil's Breath) ice cream made using an assortment of hot chillies is over 1.5 million units on the Scoville scale of hotness, making it the world's most dangerous ice-cream.

Respiro del Diavolo was brought to Glascow, Scotland, by Martin Bandoni, owner of the Aldwych Cafe and Ice Cream Parlour, but he claims the recipe has been a closely-guarded secret among Italian gelato makers for centuries. It has been used as a test of bravery at yearly gatherings among masters of the trade, but Bandoni thought it could become a commercial hit as well, so he put it on the menu of his ice-cream parlour in Glasgow. So far, the response has been 'crazy', with people from all over the UK stopping by to try the fiery treat.

Youth stuns internet with his physique

Tehran: Sajad Gharibi, a 24-year-old weightlifter from Iran has stunned the internet with his impressive physique. Weighing a whopping 345 pounds – most of it sheer muscle – Gharibi is said to be able to lift up to 386 pounds.

Not much else is known about Sajad Gharibi, except that he obviously loves to work out and that he has represented his country in both powerlifting and bodybuilding competitions.

He doesn't really have the toned body of a bodybuilder, to be honest, but in terms of strength, he looks like he could take on a bear with his bare hands.

Stanley Reservoir up to brim: A strong case for Mekedatu Project

Sir,

With the Cauvery Basin Catchment Area and Wayanad region receiving unprecedented rainfall and with the massive discharge from KRS and Kabini Dams, the Stanley Reservoir at Mettur has achieved full reservoir level many times over as also two downstream anicuts filling up to the brim, the Cauvery delta farmers of Tamil Nadu never had it so good. The Stanley Reservoir is up to the brim for the 39th time in its 85-year history. The last time this happened was in August 2013.

The total capacity of Stanley Reservoir is 93.7 TMC (double that of KRS). With the continuous massive discharge from Karnataka, the officials at Mettur Dam have been letting off the surplus water to the river causing floods across six downstream districts of Tamil Nadu. By a rough estimate, so far around 120 - 130 TMC (nearly three times the capacity of KRS) of water has been discharged into the sea ! What a colossal waste of precious fresh water !

The two States have been fighting bitterly over water sharing for decades and interestingly when the Tamil Nadu Government virtually begged Karnataka for three TMC of water in May 2018 to save their Kuruvai crop, the then CM of Karnataka had to politely decline their request because of the precarious water storage in KRS Dam.

Therefore, the decision of Karnataka Government to build a Reservoir with a capacity of 60-65 TMC near Mekedatu just before the Tamil Nadu border makes eminent sense notwithstanding vehement opposition from Tamil Nadu. With this dam across Mekedatu, a buffer Reservoir is created preventing unnecessary wastage of precious water and also avoid possible threat of floods downstream Mettur Reservoir.

The water stored in the new Reservoir can be used to generate electricity, meet the drinking water requirement of Bengaluru, Ramanagara and neighbouring areas. Even Tamil Nadu can be given water at times of distress. The TN Government, therefore, should not have any objection to this project as long as Karnataka adheres to the Supreme Court guidelines on water sharing. Hope, wiser senses shall prevail and the project sees the light of the day at the earliest. With the execution of this project, it will be a win-win situation for both Karnataka and Tamil Nadu.

Congress bags most number of Wards in N.R. Constituency

BJP dominates K.R. Constituency, Chamundeshwari; JD(S) wins maximum seats in Chamaraja

Mysuru, Sept.4- The Congress continued its dominance over N.R. Constituency by winning 13 out of the 23 Wards coming under the Assembly segment, which is represented by party MLA Tanveer Sait.

While the JD(S) got six seats, BJP got three and independents secured one seat.

While the Congress won in Ward numbers 8, 10, 11, 12, 13, 15, 16, 29, 32, 33, 34, 38 and 39, the JD(S) won in Ward 14, 17, 27, 31, 36 and 37, BJP in 28, 30 and 35 and Independent candidate in Ward 9.

However, the BJP dominated K.R. Constituency winning in 11 out of the 20 Wards falling under the constituency. The K.R. Constituency is represented by the BJP's S.A. Ramdas, a former Minister. While the BJP won 11, the Congress won five, JD(S) two, BSP and an independent one.

The BJP candidates won in Ward numbers 47, 49, 51, 52, 53, 57, 59, 62, 63, 64 and 65, while the Congress won in Ward 43, 50, 54, 60 and 61, the JD(S) in Ward 45 and 48, BSP candidates in Ward 56 and Independent candidate M.V. Ramprasad, who contested as an independent after being denied the ticket by the BJP, won from Ward 55.

The JD(S) won maximum number of seats in Chamaraja Assembly segment, which has 19 MCC Wards.

The JD(S) won nine, the BJP six, independents three and Congress only one seat in Chamaraja, represented by L. Nagendra of the BJP.

Out of the three Wards falling under Chamundishwari Assembly segment, two was won by BJP, while JD(S) one. The Congress drew a blank here.

City Unit Chiefs react...

City Congress President R. Murthy said that the party has bagged 19 seats, thus coming second after the BJP. Thanking the voters for supporting the party, Murthy said that with no party getting an absolute majority in the MCC, the Congress will join hands with the JD(S) for coming to power in the MCC.

Noting that the Congress suffered a serious setback in Chamaraja Assembly segement, Murthy said that the party will concentrate on strengthening the party here ahead of the forthcoming Lok Sabha polls.

Maintaing that the delimitation of Wards too contributed to the party's rather poor showing, he said that the Congress would have won more seats had there been much time for poll preparations.

City BJP President Dr. B.H. Manjunath said that the party has come first in the MCC polls, bagging 22 out of the 65 Wards.

Pointing out that the BJP had imporved a lot over the years, he said that the party had hoped to win about 30 seats. But the party lost some seats by a slender margin and as such, the number came down to 22. Observing that the Congress and JD(S) are making efforts for a tie up to rule the MCC, Dr. Manjunath said that the BJP is waiting for the JD(S) moves. Asserting that the BJP was ready to sit in the Opposition, Dr. Manjunath said that the JD(S) and Congress had used money and muscle power for winning the MCC polls.

JD(S) City President K.T. Chaluvegowda, who himself lost the MCC polls this time, said that the party had won 18 seats and its alliance partner the BSP one seat.

Reacting to his defeat from Ward 4 in the MCC polls, Chaluvegowda said that he was in constant touch with the voters for more than two decades. Ponting out that perhaps the people of the Ward had sought a change, Cheluvegowda said that victory and defeat was common in the democratic system and he bowed to the verdict of the people. He further said that as city JD(S) President he would continue to build a strong base for the party agead of Lok Sabha polls.

JD(S) retains hold in Mandya

Mandya, Sept.4- Even as the coalition partners in the State Government — JD(S) and Congress — engaged in a 'friendly fight' in the Urban Local Body (ULB) polls, the JD(S) managed to retain its hold in Mandya district, winning in all ULBs.

The JD(S) managed to hold on to power in Mandya CMC (City Municipal Council) by winning 18 seats in the 35-member Civic Body. The Congress managed to win 10 seats, while the BJP two and independents five seats.

In Maddur TMC (Town Municipal Council), the JD(S) won an absolute majority winning 12 out of the 23 seats, while Congress won four, BJP one and independents six.

The JD(S) overwhelmingly won the Pandavapuara TMC polls, bagging 18 out of the 23 Wards. The Congress could win only three seats, the BJP and KRRS one each.

The JD(S) barely managed to win the Nagamangala TMC, bagging 12 out of the 23 Wards, while the Congress, which gave a tough fight, won 11 seats.

However, the Congress got some consolation in the district, by winning the Bellur Town Panchayat. The party managed to win seven out of the 13 seats, while the JD(S) won in four seats and independent candidates in two.

Assault on SDPI activists

Cases registered against four persons

Mysuru, Sept.4 (SBD&KS)- Udayagiri Police, have registered cases against four persons on charges of assaulting SDPI activists in city.

The persons against whom cases have been registered are Shabaz, Jamsheed, Tipu and Azar, said to be the supporters of Ayaz Pasha, who has won the MCC polls from Ward No. 12.

It is learnt that, after the results were out, the supporters of Ayaz Pasha were celebrating during which they allegedly assaulted SDPI activists Mohammed Attar, Rakhib Baig and Yasin Shariff.

According to the complaint lodged by victim Mohammed Attar, the supporters of Ayaz Pasha had assaulted them as they had worked for SDPI. He has further stated that his father-in-law was admitted at K.R. Hospital and had to be shifted to Jayadeva Hospital for further treatment for which he collected Rs.80,000 cash from his brother-in-law Shoufiq and was on his way to the hospital.

As he was proceeding to the hospital, he met his friends Rakhib Baig and Yasin Shariff and were talking on the roadside during which Ayaz Pasha's son-in-law Shabaz, brother Jamsheed, son Tipu and Ayaz's brother's son Azar were celebrating the victory of Ayaz. When they saw the trio standing and talking, Shabaz who saw them began to humiliate them.

He has further stated in the complaint that Tipu and Azar, caught hold of him, blocked his way and tore his clothes and added that Shabaz assaulted him on his cheek and forehead with a knife, while Jamsheed picked up a stick lying nearby and also assaulted him.

When his friends Rakhib Baig and Yasin Shariff rushed to his rescue, they too were assaulted, Mohammed Attar said and added that when the public began to crowd the place on hearing his screams, the assaulters threw the knife and stick and threatened to kill them if they worked against them. He has also stated that he lost Rs.80,000 cash and his mobile phone during the assault.

Mohammed Attar, in his complaint, has further stated that when he was campaigning for SDPI candidate Nasrulla, Ayaz Pasha had threatened him by saying "You are working against me, let the result come, I will see you."

When AG is worried, it's serious

Point of VIEW

T.J.S. George

The Attorney General (AG) is the first Law Officer of the Government of India and acts as the top advocate for the Union Government. When such an Officer criticises Governments in power, it points to an extraordinary situation. When the Attorney General happens to be K.K. Venugopal and the governments happen to be run by the BJP, it is as good as a crisis situation because Venugopal has often been on the BJP's side, from the Babri Masjid case to B.S. Yeddyurappa's farcical bid to form a Government in Karnataka earlier this year.

Venugopal's judicial sensibilities must have been rattled for him to use the strong words he did in the Supreme Court recently. "There is an incident of major rioting every week even by educated groups," he said. He criticised the BJP Governments in Maharashtra and Rajasthan for not taking measures against perpetrators of violence. He criticised the Delhi Police for not acting against the frenzied "Kanwariyas" who are supposed to be devotees on pilgrimage but who take easily to assault as they proceed. He pointed to those who threatened to cut off Deepika Padukone's nose for her portrayal of Padmavati. "No civilised country will tolerate this kind of behaviour, but what has been done to the person who made that threat?" the eminent lawyer asked.

"What is to be done?" asked Chief Justice Dipak Misra. Venugopal's ready response was: "Fix responsibility on someone. Once responsibility is fixed on the SP of each District, the Court can haul him up, ask him how many FIRs have been filed."

That was a lawyer putting too much faith in law. In today's India, things do not happen like that. Which SP will dare ignore the wishes of his political overlords? This does not depend on which party is in power. The BJP may be doing things a bit more brazenly, but all parties have contributed to the situation where the civil service and the Police act as supporting agents of those in power. Almost every day incidents occur to drive this point home. In a UP town, the other day a truck collided with a vehicle carrying Kanwariyas. The angry pilgrims set the truck on fire, blocked the highway, and beat up the driver. The Police arrested the driver. Elsewhere in UP videos showed young devotees hitting a car on the highway with long lathis, hitting it again and again from different angles. Policemen calmly stood around trying to keep spectators out of harm's way.

To what extent can we blame the Police for not acting as they ought to? The prevailing political atmosphere allows one type of mobs to think that the law will not touch them. There are enough Ministers and MLAs making statements that encourage such elements. The latest was Gyan Ahuja, a Rajasthan MLA belonging to the BJP, who said point-blank: "If one engages in cow smuggling or slaughters a cow, he will be killed."

This is where the jurisdiction of law ends and the overweening power of hatred takes over. Those who have a Constitutional duty to check threats and violence prefer to look the other way. The Union Home Minister has taken the position that hate crimes are a State subject and the Centre cannot interfere. The Speaker of the Lok Sabha used the same rhetoric to disallow a private members' Bill against lynching. This is a cop out that will convince nobody. The bulk of lynchings have occurred in BJP-ruled States. It is also a fact that lynchings have ruined India's image in the world. Certainly the Union Government has a responsibility to be concerned about the country's image? So it should be easy for *karyavahaks* in the Centre to sit down with *karyavahaks* in the States and save the country's reputation from anti-nationalists' propaganda. Why don't they do it? The answer is floating quite visibly in the wind.

> ***"K.T.S. Tulsi, legal luminary and co-sponsor of the private member's bill on lynching, hit the right note when he said a special law was needed to deal with lynching because "lynching is a crime without motive. The victims are unknown. The objective of the crimes is to strike terror in society." Obviously there are some who want to strike terror in society. Just as obviously there are some others who want to let them do so. AG K.K. Venugopal would know that the solution he suggests may at best cut off the branches. Who will cut off the roots?"***

Obviously there are some who want to strike terror in society. Just as obviously there are some others who want to let them do so. Hence, the two-third rise in mob killings since the Dadri horror of September 2015. K.K. Venugopal would know that the solution he suggests may at best cut off the branches. Who will cut off the roots?

House costing lakhs turns into Naga Temple

Yaduveer participates in ground-breaking ceremony at Bidarahosahalli in Maddur

By Nagaiah Lalanakere

Mandya, Sept.4- It is everyone's desire to build a dream house. And after spending lakhs of rupees, if the experience turns into a nightmare, then drastic decisions have to be taken. However, the decision could become easy when there is a divine guidance.

This is how the story unfolds in the house belonging to the couple Rekha and Mahesh, residents of Bidarahosahalli, Maddur Taluk. They spent lakhs of rupees and built a majestic bungalow. But with it followed the problems and they began suffering economically, health issues cropped up and the whole family life turned upside down.

The reason was as soon as the construction was completed, the anthills started appearing in the house *(see photo below)*. However much they tried, they could not destroy them. The more they tried to demolish the anthills, more it appeared and with it their problems grew.

Finally, after exhausting all options, **the man of the house Mahesh heard an inner voice which directed him to convert the house into a temple. The moment he heard the directions from the God, he decided to build the Naga Temple.**

The couple started performing pujas with great devotion regularly. Even as they retained the house with anthills, the next step they took was to dig foundation for the new Naga Temple right next to the house.

They even invited the scion of erstwhile royal family of Mysore, Yaduveer Krishnadatta Chamaraja Wadiyar to offer puja to the anthill along with his uncle M.L. Varchuswee S.S. Raje Urs.

The erstwhile royals came in their traditional dress and participated in the ground-breaking ceremony *(guddali puja)* with a great deal of religious fervour in the presence of priests and other Seers.

The place where the house is located is suffused with a holy atmosphere, feel the villagers. The mud in this place emanates a sandalwood fragrance and the way the anthill keeps growing is due to some divine intervention, they said.

Moreover this house is situated at the border adjoining three villages of Yaladahalli, Bidarahalli and Bidarahosahalli. Hence, the decision of the owner Mahesh and his co-operative wife Rekha to build the Naga Temple augurs well for everyone, said the villagers and added that they would cooperate in the building of the temple.

As miracles go, this again is one of those which could baffle the scientists but not the God-fearing people of Bidarahosahalli who are all for the construction of Naga Temple. With the royal touch, the divinity of the place is also enhanced.

Top priority for rebuilding houses in Kodagu: Minister

Madikeri, Sept.4-The Government has given top priority to the families of flood-affected victims who have lost their houses to rebuild them on a priority basis, said Minister for Kannada and Culture Jayamala.

She was addressing a press conference at Hotel Valley View, here yesterday and said that several families have lost their houses and source of livelihood due to heavy rains and floods.

All measures will be taken to build the houses, thus responding to their pain and help them lead a decent life, she added.

"30 Anganwadi centres have been completely damaged in the floods and 144 partially damaged. A total of 75 centres have to be repaired. Mathrupoorna scheme has to reach each and every Anganwadi and the cooking gas and toilet facility must be compulsorily there," she said.

Due to the natural calamity in the district, 69 physically challenged and 188 senior citizens have lost their homes. The lives of 19 people have been disrupted. The Women and Child Welfare Department will provide all facilities for them, she assured.

The women need to be economically empowered by providing them jobs. Grants will be provided from the Department in this regard. There are no reports of malnutrition among pregnant, post natal care women and children, informed Jayamala.

Minister Jayamala interacting with the children at a Relief Centre in Kodagu yesterday.

No reduction in grants for Madikeri Dasara

There will be no reduction in grants for celebrating Madikeri Dasara as it is a Nada Habba and it needs to be celebrated every year, said Minister for Kannada and Culture Jayamala.

She was reacting to a question by the media regarding the celebration of Dasara in Madikeri and said that just like Mysuru Dasara is famous, people also look forward to Dasara here.

Kodagu DC inspects ravaged places

Madikeri, Sept. 4 (US&PS)- Kodagu Deputy Commissioner P.I. Sreevidya inspected the places hit by recent floods and landslides on Hattihole-Mukkodlu Road recently.

The DC was accompanied by officers of Revenue and other Departments. They collected information on the damaged road, power supply problems and damages to public property.

The team later inspected Galibeedu, Devasthur and other places. The DC instructed the officials to expedite the repair works on roads and also to restore the power supply.

MLC Veena Achaiah, former President of Gram Panchayat Ravi Kushalappa and others were present.

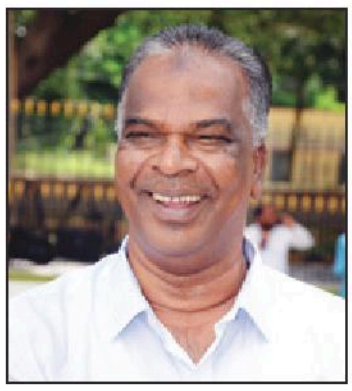
The DC covered many places including a few inaccessible ones and interacted with the grieving villagers.

All in the... Family

Mysuru, Sept. 4- Even as media claims that there is resentment against dynastic politics at the National and Regional level, it seems this inclination for politics to be a family affair has now percolated even to the local level.

In the recently held MCC elections, many family members from the local political families have made an entry. While some politicians wanted to push their sons and sons-in-law, others fielded their spouse as they were deprived tickets following ward delimitation and reservation of seats.

Corporators for 27 years!



Arif Hussain

In one such instance, former Mayor Arif Hussain returned to the MCC after winning from Ward No. 16, falling under N.R. Assembly Constituency. Arif Hussain first won in 1996 and became Mayor in 1998. He then gave up his seat to his wife Samshad Begum as his Ward became reserved for Woman. His wife Samshad Begum recorded a hat-trick of wins. This year that seat has been 'de-reserved' from being a Woman reserved Ward, so this time Arif Hussain contested himself and won. Between him and his wife, they have been Corporators for 22 years and with this win, it will be 27 years!

Son, Son-in-law and Wives

Sandesh Swamy with Sathvik

Former Mayor Sandesh Swamy of the BJP, who unsuccessfully contested from N.R. Constituency in May 2018 Assembly polls, chose to field his 23-year-old son Sathvik from Ward No. 35. Sathvik won defeating his nearest rival G.N. Manjunath of the Congress. Incidentally, Sathvik is the youngest to have won the MCC polls.

B.P. Manjunath

Sharath Kumar

In Ward No. 58, BJP candidate Sharath Kumar won by a thin margin of 8 votes against Krishna Kumar Sagar of the Congress. Sharath Kumar is the son-in-law of BJP National Council member and former KEA Chairman B.P. Manjunath.

H.M. Shanthakumari

H.M. Shanthakumari, who won from Ward No. 32, is the wife of former Mayor H.N. Srikantaiah. She fought on a Congress ticket. Incidentally, Srikantaiah had filed nomination as an Independent candidate from Ward No. 33 against his own wife's party but the Congress High Command told him to withdraw his nomination and support Congress candidate Bashir Ahmed.

In Ward No. 19 (Jayalakshmipuram-V.V. Mohalla), Bhagya Mahadesh, wife of jailed former JD(S) Corporator C. Mahadesh, won on a JD(S) ticket defeating her nearest rival Hemalatha of the BJP by a slender margin of 11 votes. Mahadesh's brother-in-law Gopalswamy was given a JD(S) ticket for Ward No. 20 which he lost.

Rukmini Madegowda

Rukmini Madegowda of JD(S) who contested from Ward No. 36 (Yeraganahalli-Ambedkar Colony) has entered the MCC Council for the second time, defeating her nearest rival Rajani Annaiah of the Congress. Rukmini's husband Madegowda is a ZP member.

In Ward No. 61, Shobha of the Congress defeated her nearest rival Vidya Urs of the BJP. Shobha's husband M. Sunil, an advocate, was a Corporator in the preceding Council.

M. Shivanna with Lakshmi

Corporator M. Shivanna of the JD(S) who had won from Hebbal thrice, chose to field his wife Lakshmi after the Ward was reserved for Woman candidate. Lakshmi won from Ward No.1 (Hebbal-Lakshmikanthanagar) on a JD(S) ticket defeating her nearest rival S. Triveni of BJP.

It seems by fielding their kith and kin, former Corporators wish keep their grip on their Wards in perpetuity. Does this bode well for local administration and urban planning? Will Mysuru, once the Kingdom of the Wadiyars, now end up becoming the fiefdom of a few?

C. Mahadesh

Bhagya

2018 MCC Polls SIDELIGHTS

Wins with the biggest margin

BSP candidate from Ward No. 56 (Krishnamurthypuram) Begum alias Pallavi won with a huge margin of 2,904 votes. Pallavi secured 4,108 votes. Her closest rival Congress candidate Ambika secured 1,204.

Begum alias Pallavi

Wins by least margin of votes

BJP candidate from Ward No. 58 R.K. Sharath Kumar, a first time contestant, sneaked in with a 8-vote lead making him the candidate to win the election with the least margin. Sharath Kumar is the son-in-law of BJP National Council Member and former Chairman of Karnataka Exhibition Authority B.P. Manjunath.

R.K. Sharath Kumar

First Kodava to enter MCC

M.U Subbaiah, an advocate who contested from Ward No. 20 (Vijayanagar) on a BJP ticket, won the election becoming the first person from the Kodava community to enter the Mysuru City Corporation. He defeated his nearest rival Gopalswamy, the brother-in-law of former Corporator Mahadesh, by 423 votes.

M.U Subbaiah

Got least votes...

Prema Kumari, who contested as an Independent candidate from Ward No. 57 (Kuvempunagar) lost by polling the least number of votes. She got 16 votes. The total votes polled in this Ward was approximately 6,000 of which Prema Kumari got just 16. The winning candidate from BJP, M.C. Ramesh polled 2,705 votes.

Prema Kumari

Highest number of women

For the first time, the MCC will be having the highest number of women Corporators. Of the 65 Corporators, 32 are women.

The increase is because of the 50 percent reservation for women. While 13 women members have been elected on a BJP ticket, 11 have been elected from the JD(S), seven from the Congress and one from the Bahujan Samaj Party (BSP).

3,500 voters go for NOTA

The Election Commission had introduced NOTA (None Of The Above) option in the MCC polls for the first time and out of the 3,99,428 votes cast in the MCC polls, 3,522 voters preferred NOTA, thus rejecting all candidates who were in fray.

Wrong notes play out at Music Varsity

(Continued from page 1)

The University set up with the noble intention of spreading music and art has not achieved anything so far as no development has taken place but there are problems galore, the students alleged.

Moreover some of the subjects that are offered have no relevance to music and even the present in-charge Vice-Chancellor is not in touch with reality as he himself has no knowledge of music. He wants to run it like a corporate set up when what is required is for the free flow of thought and encouragement for creativity, they said.

Main demands

Some of the main demands include full-fledged classrooms, separate toilets for girl students and lady teachers, besides rest rooms for both, separate hostel facilities for boys and girls, results should be announced on time, auditorium should be built, provide proper library and studio facilities, primary health centre, canteen facility, musical instruments and drinking water facilities.

Speaking to *Star of Mysore* here this morning, Suraj, a final BA student studying Hindustani Classical music, said that it was a good sign that all the students have unitedly decided to fight for justice since the problems have persisted since the inception of the University.

He said that one of the major problems students face is the unscientific marks cards being issued which in turn affect their scholarships. It looks like the problems the students are facing are insurmountable and unless steps are taken the University will continue to cut a sorry figure. Students Chaitra, Reuben, Deepak and Kusuma led the protest in which nearly 100 students participated.

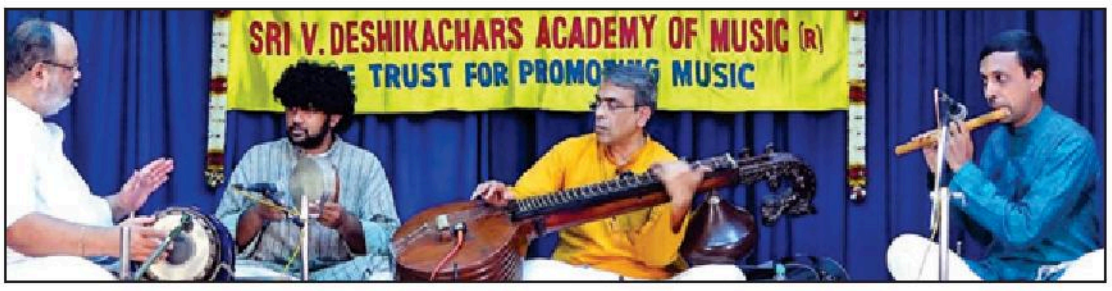
Embodying the excellence of their masters



By Dr. Padmavathi Narasimhan

Balakrishna, senior Veena artiste and son of Veena Doreswamy Iyengar and Vamshidhar, grandson and disciple of V. Deshikachar gave a Veena-Flute duet at Nadabrahma Sangeetha Sabha on the 15th of August with Anoor Ananta Krishna Sharma on mridanga and Sunad Anoor on Khanjira.

Starting with Deekshitar's 'Vallabha Nayakasya' suffixed by crisp swaras, the duo continued their recital with Purandara Dasaru's 'Manava Janma doddadu' in Poorvi Kalyani with dignity and depth. Vamshidhar added a few melodious surprises on the spot while performing. 'Naa Jeevadhara' is a lively composition of Tyagaraja in Bilahari. This and 'Vara Narada Narayana Smarana' in Vijayashree by Tyagaraja filled the gap between the sub-main and main items.

Abheri ragalapana was played by both individually. Vamshidhar's devotion to his Guru Balakrishna was evident throughout. Never once did he surpass his Guru at any part of the concert. Mysuru Vasudevachar's 'Bhajare manasa Shri Raghuveeram' was adorned with aesthetic swaras.

Madhyamavati raga too was played by each individually. The raga could perhaps be played and enjoyed more leisurely if taken stage by stage by each of them. The Tana was highly enjoyable with the melody and technicality of both the instruments. The RTP in Madhyamavati was quite a long one as it was set to Trishra nadai Adi TaLa. The Pallavi 'Paalinchu Kamakshi Pavani sada padame gati' was in 'ateeta graha'(starting before the beginning of the tala) and was decorated with neraval and kalpana swaras blending beautifully into the sahitya. A grand Taniyavartanam followed by Anooor Ananta Krishna Sharma with his nephew Sunad on the Khanjira.

The duo concluded their recital with 'Swati Tirunal's bhajan 'Vishweshwar darshan kar chalo man tum kashi' in Sindhu Bhairavi.

Group stage of KPL ends with a Dramatic Thriller

A jubilant Aditya Somanna after running out Adithya Reddy off the last ball which led to the Super Over.

Mysuru, Sept.4 (SV)- The Bellary Tuskers finally got their first win of this season as they defeated Shivamogga Lions in the Super Over in the last group stage match held at the SDNR Wadiyar Stadium in city yesterday.

After winning the toss, Shivamogga Lions opted to bat. Their top order struggled once again as they were reduced to 29 for 3 in less than 5 overs. Skipper Aniruddha Joshi (47) and Rongsen Jonathan (45) resurrected the innings. Aniruddha Joshi 47 (27b,4x6,6x2) and Rongsen Jonathan 45 (30b, 4x4, 1x6) ensured that the score card kept ticking with a healthy run rate. Muthanna Nayak (2 for 17 in 3 overs) and Abrar Kazi (2 for 32) bowled well for the Bellary Tuskers. The Shivamogga Lions ended their innings at 151 for 5 in 20 overs.

In reply, the Tuskers displayed positive attitude with their batting after losing the wicket of Rohan Kadam in the very first over. C.A. Karthik (47) and C.M. Gautam (57) held their nerves and displayed a complete professional brand of cricket. They shared a 79 run partnership for the second wicket. Karthik 47 (29b,4x4,2x6) was in a very aggressive mode, and seemed like he wanted to finish the game early. Gautam 57 (52b,5x4,1x6) played a steady knock to ensure that they are within the reach of the target.

The scoring rate dropped immensely as Adithya Reddy (33 off 36 balls) was constantly beaten outside the off stump on a numerous occasions by bowler Abilash Shetty. The match went to the last over of which 8 runs were required. Aditya Somanna conceded just 7 runs in the over. With one run required of the last ball, Adithya Reddy could not get bat on ball and the ball ended up hitting his body. The batsmen scampered for the winning run, but bowler Adita Somanna got hold of the ball and got a direct hit at the bowlers end and caught Adithya Reddy short of his crease. The scores were tied as Bellary Tuskers finished at 151 for 4 in 20 overs. The match moved to the Super Over.

Aniruddha Joshi (spinner) brought himself on to bowl the super over, which probably cost Shivamogga Lions the match. He conceded 21 runs in the Super Over with a couple of sixes from C.M. Gautam and Ritesh Bhatkal powering a shot over the ropes off the ultimate ball.

In reply, Shivamogga Lions could manage only 9 runs in their Super Over. Bellary Tuskers handed the responsibility of the Super Over to Fast Bowlers S. Akshay, who executed his yorkers and contained the batsmen. Anirudha Joshi and Adita Somanna did not get a chance to swing their arms and they never seemed like they could chase down the target of 22 runs. Tuskers won the Super over by 12 runs. This dramatic end gave Bellary Tuskers their first win of the season and Shivamogga Lions finished the campaign with no points on board.

SCORE

Shivamogga Lions: 151 for 5 in 20 overs (Anirudha Joshi 47, R. Jonathan 45, Adhoksh Hegde 39, Muthanna Nayak 2 for 17, Abrar Kazi 2 for 32) tied with **Bellary Tuskers:** 151 for 4 in 20 overs (C.M. Gautam 57, C.A. Karthik 47, Adithya Reddy 33, Aditya Somanna 2 for 32).

Devastation of Makkandur village is beyond words

Madikeri, Sept.4 (US)- Cleaved hillocks, collapsed boulders, heaps of mud with no semblance of a road that existed, strewn coffee plants, remnants of collapsed houses... This is the cruel sight in and around Makkandur village devastated by the recent rain, floods and landslides.

Makkandur earlier was a picturesque place with plenty of greenery amid plantations of coffee and other crops. Now the inhabitants of the devastated village have been forced to migrate to other places. The village was inhabited mostly by farm labourers who had managed to build small houses for them which have been totally destroyed.

The victims who were housed in relief centres came to see the state of Makkandur and were bewildered to see the aftermath of natural calamity and their agony cannot be quantified. Their hard-earned assets and bread-winning coffee crops had literally gone extinct. The flood victims housed at relief centres and houses of relatives are waiting with fingers crossed hoping that the Government would construct houses for them. The pitiable sight was the domestic pets and livestock helplessly waiting by the roadside with nowhere to go as their masters themselves victimised totally.

Recalling the ghastly night on Aug.15, a resident of Makkandur said that it was raining heavily and he could hear the sound of landslides behind his house. He further said that the family moved quickly to a neighbour's house to spend that night and saw the next morning their entire house destroyed. He added that about six acres of agricultural land and a house had been erased.

Another resident bemoaned that her house has been totally destroyed leaving behind just a washing machine.

Makkandur now looks like a place after a war and possibly will take a couple of years to get back to shape.

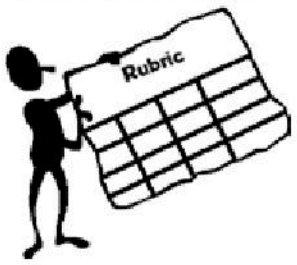
WORD OF THE DAY

Rubric

Pronunciation: ROO-brik



Meaning: An authoritative rule; especially a rule for conduct of a liturgical service: heading, title; also class, category, an explanatory or introductory commentary.
Origin: Centuries ago, whenever manuscript writers inserted special instructions or explanations into a book, they put them in red ink to set them off from the black used in the main text. They used the same practice to highlight saints' names and holy days in calendars, a practice which gave us the term red-letter day. Ultimately, such special headings or comments came to be called 'rubrics', a term that traces back to 'ruber', the Latin word for "red." While the printing sense remains in use today, rubric also has an extended sense referring to any class or category under which something is organised.
Example: The evidence is now clear that the Rubric refers to the first Prayer Book.

THE ODD WORD

Xenology

The scientific study of extraterrestrial phenomena.

PHRASE OF THE DAY

Like nailing jelly to the wall

Meaning: Incredibly difficult or impossible, such that it could be seen as a foolish or worthless to attempt.

Origin: In the UK, jelly describes a soft sweet food made from fruit juice, sugar and gelatine which you can see through and that shakes when one touches it. It's often eaten at children's parties. But in the USA jelly describes a sweet, sticky substance made with boiled fruit and sugar and is spread on bread. The British would call this 'jam'. This phrase applied as a title of a book in 1981: "Nailing Jelly to a Tree" by Jerry Willis and William Danley. Some believe that Jerry Willis was the author of the phrase. The phrase appears in a book published in 1921. "You could no more deal with the Columbian rulers" (President Teddy Roosevelt) exclaimed, "than you could nail jelly to a wall", in Charles and Mary Beard History of the United States.
Example: Writing the history of this period is like nailing jelly to the wall.
